

Community Conversations

Christchurch City Council – Developing a Housing Policy

Paul Cottam (CCC) will present a draft Housing Policy that the Council has been developing.

This is a chance for discussion and comment, rather than a formal consultation, in preparing a draft document to present to Council for its wider consideration.

Copies will be made available for people to take away and consider further.

National Science Challenge – Building Better Homes Towns & Cities

Dr Suzanne Vallance

Department of Environmental Management Lincoln University

Dr Suzanne Vallance will provide more detail on the Challenge, its Vision, Mission and the six Strategic Research Areas, and gratefully receive any feedback on the approach taken to date.
