Regular Gifting Programme

Can you imagine what it would be like if every rental household in Christchurch donated $2.00 a week to charity? We can. It would mean over four million dollars donated within Canterbury for local charities to work in our local community.

We don't want $4 million; we don't want $2.00 from every rental household. **A regular gift (donation) of either $2.00 per week ($104) or $5.00 ($260)** will go a long way toward covering our overhead costs (i.e. rent, power, phones, internet, stationery, mileage & postage).

Your donation would mean that every other cent raised by the organisation would go to direct service provision for rental tenants and the work we do to support a viable, fair and professional rental sector in New Zealand.

You can help us by simply donating on a regular basis for a year, either by setting up an automatic payment or through your workplace payroll giving scheme.

Look through our website www.tpa.org.nz and our Facebook page www.facebook.com/tpa.chch see the work we do and services we offer. Many of you will have used our services or been involved with our organisation. You know what we do and how well we do it. It makes sense to give your charitable dollars to an organisation you know and understand well.
